

Immunotec Toothpaste with SynerG⁴[™]

The only toothpaste containing **TOPICAL GLUTATHIONE***
in our exclusive antioxidant complex

Promotes healthy-looking gums and teeth, helps whiten teeth and fight plaque, leaves your mouth feeling clean and refreshed.

You'll ♥ what's in it

- **SynerG⁴[™]**, an exclusive antioxidant complex comprised of 4 powerful ingredients: master antioxidant **Glutathione**, extracts of acai berry, green tea and cactus
- **Calcium** for gentle low-abrasion cleaning
- **Xylitol**, a natural sweetener that's good for your teeth
- **Chlorophyll** for gum protection

You'll ♥ what's NOT in it

- **NO** artificial flavors, sweeteners, colors, or preservatives
- **NO** fluoride
- **NO** titanium-dioxide
- **NO** sodium lauryl sulfate
- **NO** animal testing

This goes a step beyond regular toothpaste. It incorporates novel bacteria-fighting and oral health enhancing properties.

Jimmy Gutman MD - Senior Medical Advisor

I am excited that all the ingredients are safe... a big plus for our health-conscious customers!

Sandi Walper

Love the taste... and freshness that comes after brushing.

Mónica Hoffman

Leaves my teeth feeling very clean.

Ángelo Licari

*Topical glutathione is absorbed locally. Glutathione precursors are necessary to raise total-body glutathione.
