About Immunotec Inc.

Immunotec is a Network Marketing Company involved in the direct selling of scientifically validated natural health products and dietary supplements. The Company offers a lucrative business opportunity to its independent distributors. This business model provides Immunotec's network of people with an opportunity to earn a steady and recurring income, directly based on their level of involvement and performance. Individual distributors build their business by conveying product information and selling product to customers and by building teams of distributors to expand geographic penetration and market coverage to larger populations of customers.

Headquartered with manufacturing facilities near Montreal, Canada, the Company also subcontracts certain distribution logistics and capacity to support its activities in the United States, Europe, Mexico and The Caribbean.

The Company files its consolidated financial statements, its management and discussion analysis report, its press releases and such other required documents on the SEDAR database at www.sedar.com and on the Company's website at www.immunotec.com. The common shares of the Company are listed on the TSX Venture Exchange under the ticker symbol IMM.

"The TSX Venture does not accept responsibility for the adequacy or accuracy of this release."
